Tell Us Why:	The ultimate underdog movie. Although the Spartan army did not come out victorious, there were only 300 Spartans who battled over 100,000 Persians to the end. They truly never gave up and worked together.
Favorite Backyard Flag Football Moment:	Winning the Super Bowl last winter season.
Favorite Player to Coach/Why:	My son. He has a relentless attitude to be the best. Carson works hard at technique and is a strong listener. He will not stop until he gets it right. Although he realizes there is a lot to learn, Carson is a very confident individual who competes at the highest level!! He is a joy to coach, but more importantly as a father I am seeing him grow everyday as a person.
Favorite Food:	Steak/Lobster
Words of Advice to Kids:	Be yourself and never give up!! There was a saying while playing football in college I will always remember. "It is never as good as it seems or bad as it seems, reality falls somewhere in between." Be the Best!!!
